

TESL Certification

Teaching English as a Second Language Certificate

Part-Time 120 Hour TESL Certificate

Students can complete this comprehensive part-time program in 10 weeks*. The program is divided into 10 separate modules (100 hours) presented sequentially, 10 hours of teacher observation, followed by 10 hours of practicum. *The practicum component takes place after the 10 weeks have been completed.

Methodology

- Classroom Instruction**
 - Interactive lectures and activities outline theory for each module.
 - Students will be asked to prepare several peer-teaching sessions.
 - Evaluation is based on homework, assignments, exams, and participation.
- Observations**
 - Under supervision of a mentor teacher, after an initial period of observation, students will be required to observe ESL classes.
