

## **Level 5 Weekly Assignment**

### **Reading and Writing**

Assignment: Write a cause and effect essay about the positive or negative effects of different foods that we eat. Think about how science has influenced the food we eat. Consider your diet in your country in comparison to the diet of Canadians.

You should consider:

- Does the essay clearly describe three effects of science on the food we eat?
- Does the essay contain an introduction, three body paragraphs and a conclusion?
- Are passive verbs used correctly? Are there agents included and omitted appropriately?
- Does the essay use cause and effect collocations appropriately?
- Does the essay include vocabulary from the unit?
- Make sure to check the punctuation, spelling and grammar!

Please submit your essay when you have completed it to be marked.
