

# Hospitality & Service Management Diploma Program (26 weeks / 650 hours)

## Course Description

Receive a Diploma in Hospitality and Service Management by completing this 26-week program! Upon successful completion of this program students will be able to demonstrate a knowledge of:

Supervision and management operations in the hospitality and service industry; including room division management, financial management, marketing and sales, human resources, food and beverage management and food safety.

Students who complete this program will receive a diploma demonstrating their acquired knowledge in the hospitality and service industries from top industry professionals and instructors. Students will gain Canadian work experience in tourism and hospitality, as well as receive a diploma from inlingua Victoria that is PTIB accredited. Since students are required to have a Study Permit for this program, they may work up to 20 hours per week during the 26 weeks.

## Pre-Requisites

**For program acceptance, students must:**

- Have successfully completed secondary school graduation (or equivalent in another school system)
- Be a minimum of 18 years of age.
